Subj: FOREIGN EXCHANGE STUDENT HOUSING POLICY ABOARD THE COMBAT CENTER

Ref: (a) MCO P11100.22
(b) CCO P11101.12J

1. In compliance with reference (a), the following policies and procedures apply to foreign exchange students living in the Mobile Home Park or government family housing aboard the Combat Center or the 801 housing area in Twentynine Palms.

2. These guidelines are to be followed by all sponsors who are bonafide residents of government family housing. Military families living in government family housing may become sponsors of foreign exchange students provided that proper documentation has been submitted via their chain of command and approved by the Director of Installations and Logistics in accordance with reference (b).

3. The Marine Air Ground Task Force Training Command neither endorses nor supports a particular foreign exchange student organization. The placement of a foreign exchange student with a host family living aboard the Combat Center or in family housing units off base is not to be construed as an endorsement or promise of support to any specific organization. Foreign exchange student organizations are not permitted to engage in door-to-door solicitation for host families. Requests for distribution of foreign exchange student literature from certain locations on the Combat Center will be reviewed on a case-by-case basis.

4. Unit commanders, military and civilian directors and special staff officers aboard the Combat Center will disseminate and comply with the policies and procedures established herein.
